### THE ADDAMS FAMILY MUSICAL... Oct. 31-Nov. 2 (Fall Musical)

Wednesday Addams, the ultimate princess of darkness, has grown up and fallen in love with a young man from a respectable family – a man her parents have never met. Wednesday confides in her father and begs him not to tell her mother. Gomez Addams must do something he's never done before - keep a secret from his beloved wife, Morticia. Everything changes for the whole family on the fateful night they host a dinner for Wednesday's 'normal' boyfriend and his parents. Halloween weekend is the perfect time to see this spooky, kooky popular musical!

### ANIMAL FARM... Jan. 30-Feb. 1 (Winter Drama)

When the animals on a farm drive out their master and take over to run the farm for themselves all seems well until they soon realize someone has to take the deposed farmer's place. The pigs step up, promising to lead with compassion that the farmer never had – a promise we soon come to see is empty. George Orwell's satire on society has proved magnificently long-lived as a parable about oppression. It has given the world at least one immortal phrase: "Some are more equal than others."

### You Can't Take It With You... April 17-19 (Spring Comedy)

The Sycamores are not your typical family. They collect snakes, make fireworks, and dance around the house in their pursuit of self-fulfillment. Alice falls in love with her boss's son who comes from a very conservative family. When her fiancé and his parents accidentally show up to meet the Sycamores a day early, it sets off a series of hilarious events. This Pulitzer Prize winning comedy is simply irresistible.

### THE BLACK BOX NEW PLAY..... Jan. 16-18 (Student written & directed!)
